Reduce Cost and save time.

Pricing & Costing

Triple T works with business enterprises providing the best value by allowing access to a group of creative and highly skilled professionals at a reasonable price. We offer different mix of affordable pricing structure to standard & custom designing as per the nature of the work.

Nature of work

To be economical viable to the client we follow the Fixed Price/ Fixed Time Approach without any hourly approach. In this simplified approach the customer is expected to prepare a detailed project description. Qualification + Creation = Profession is the Formulation in Ten Trade Technology, where a group of talented programmer, graphic designer unit/professionals assembles the optimum services at a reasonable costing criteria. We elaborate and clarifies project details with the customer by e-mail / online chat, phone or site visit. Upon completing a specification that is agreeable to both sides, Triple T will provide the required budget and time frame to complete the job. When the customer agrees to the created project estimate and working plan, the project implementation phase will begin.
